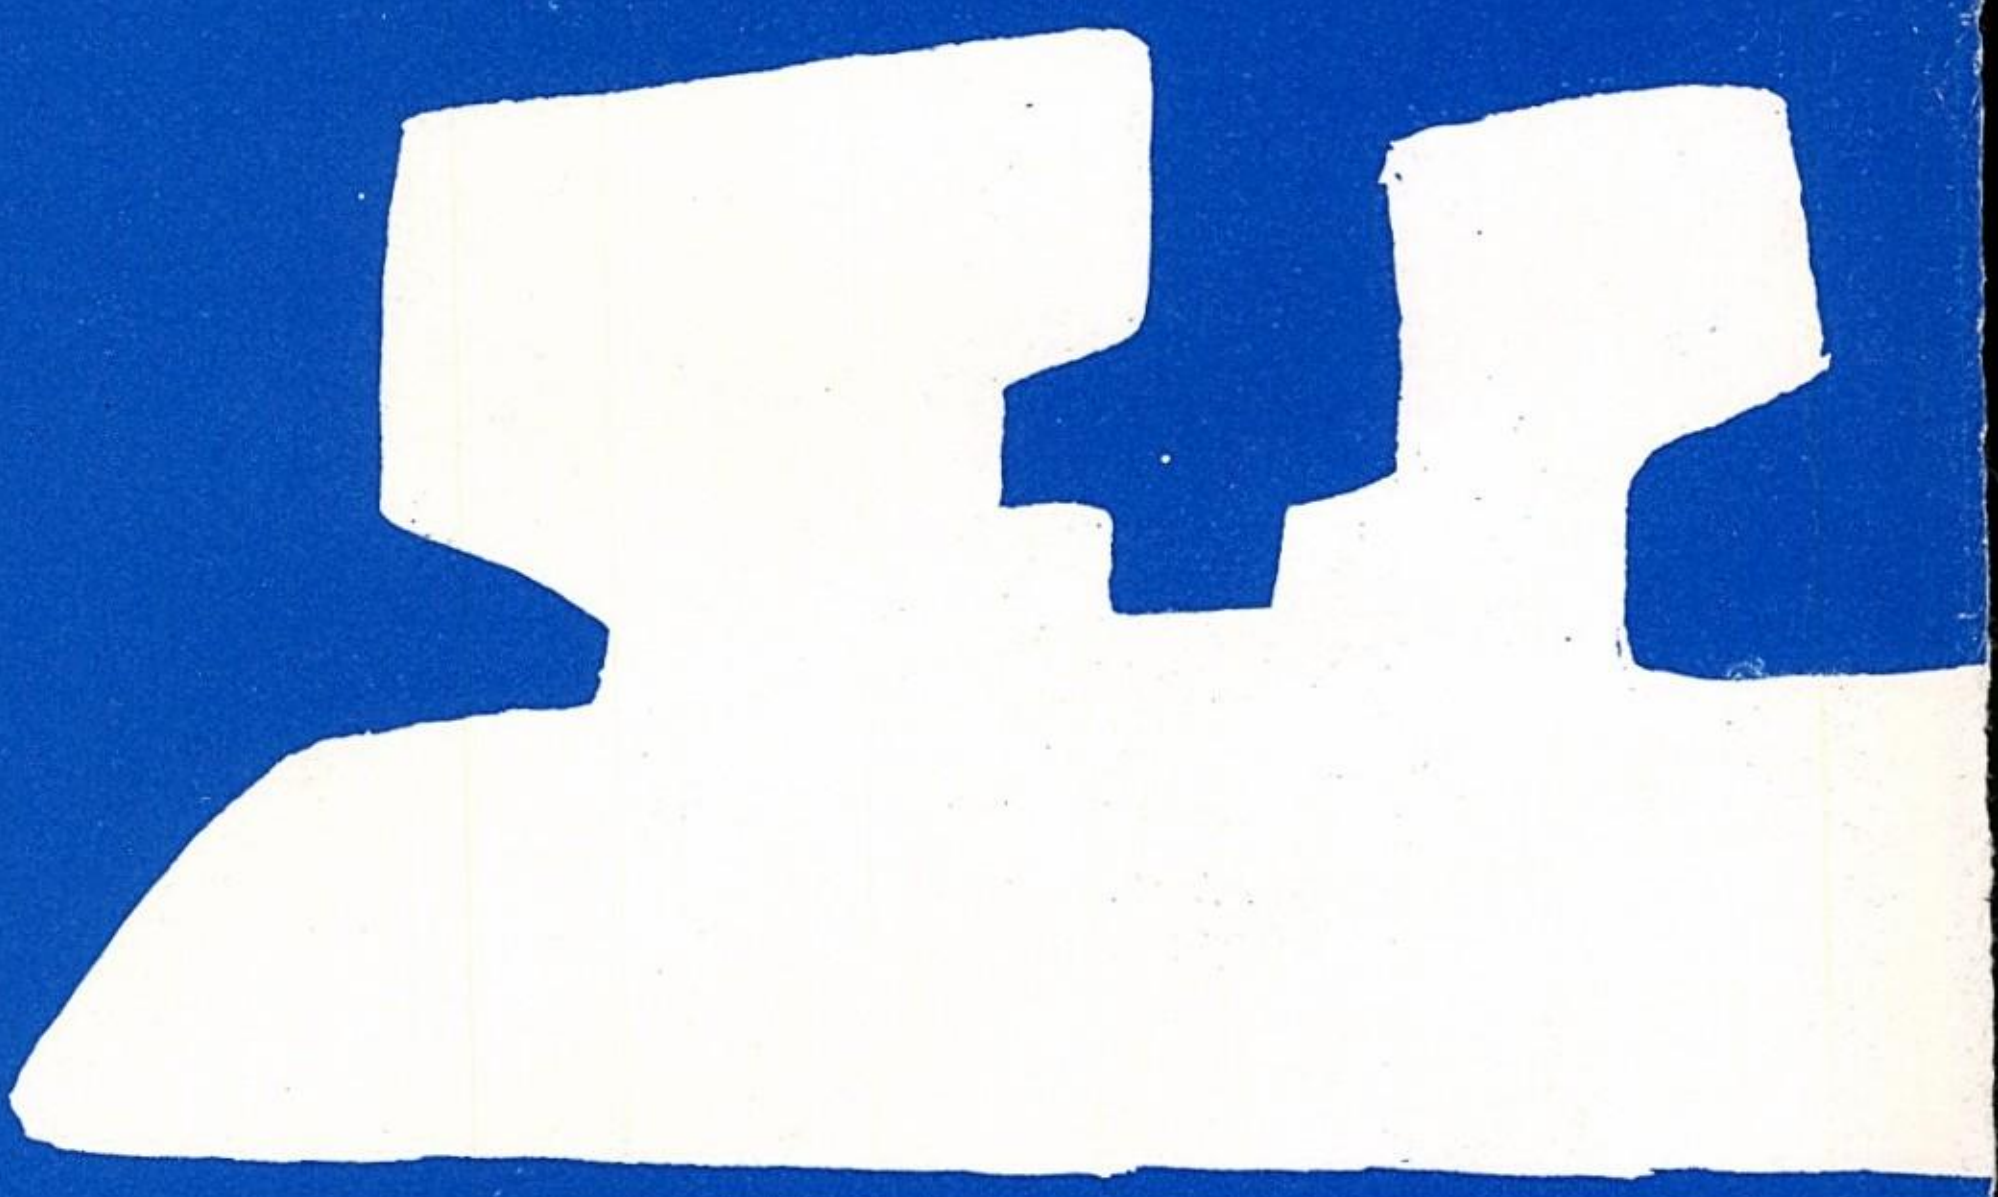
DEDIC

It is a pleasure and an honor to dedicate this annual to a person who has meant so much to Silverton High School.

Miss Elizabeth Kleinsorge dedicated 19 years of her life to working with the young people of Silverton before retiring at the end of the 1964-65 school year.



Her dedication to her work, her desire to provide the best library services possible, and intense concern for the welfare of all students will long be remembered.

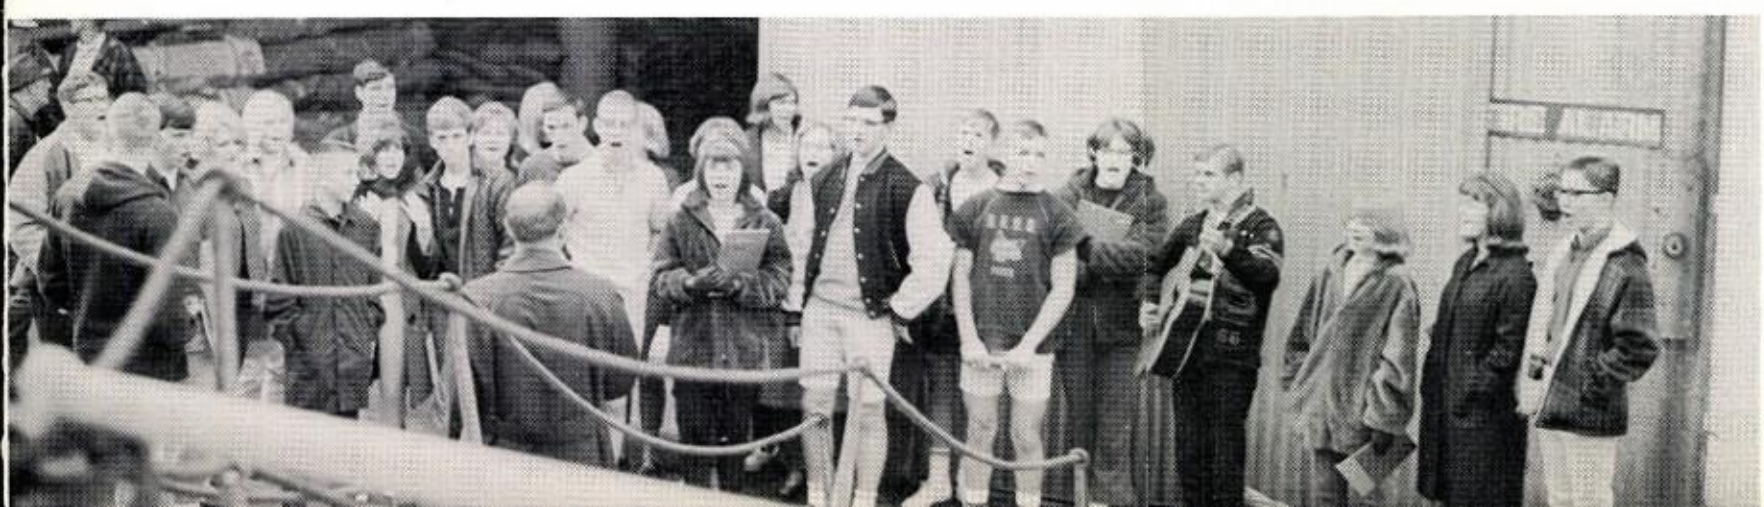
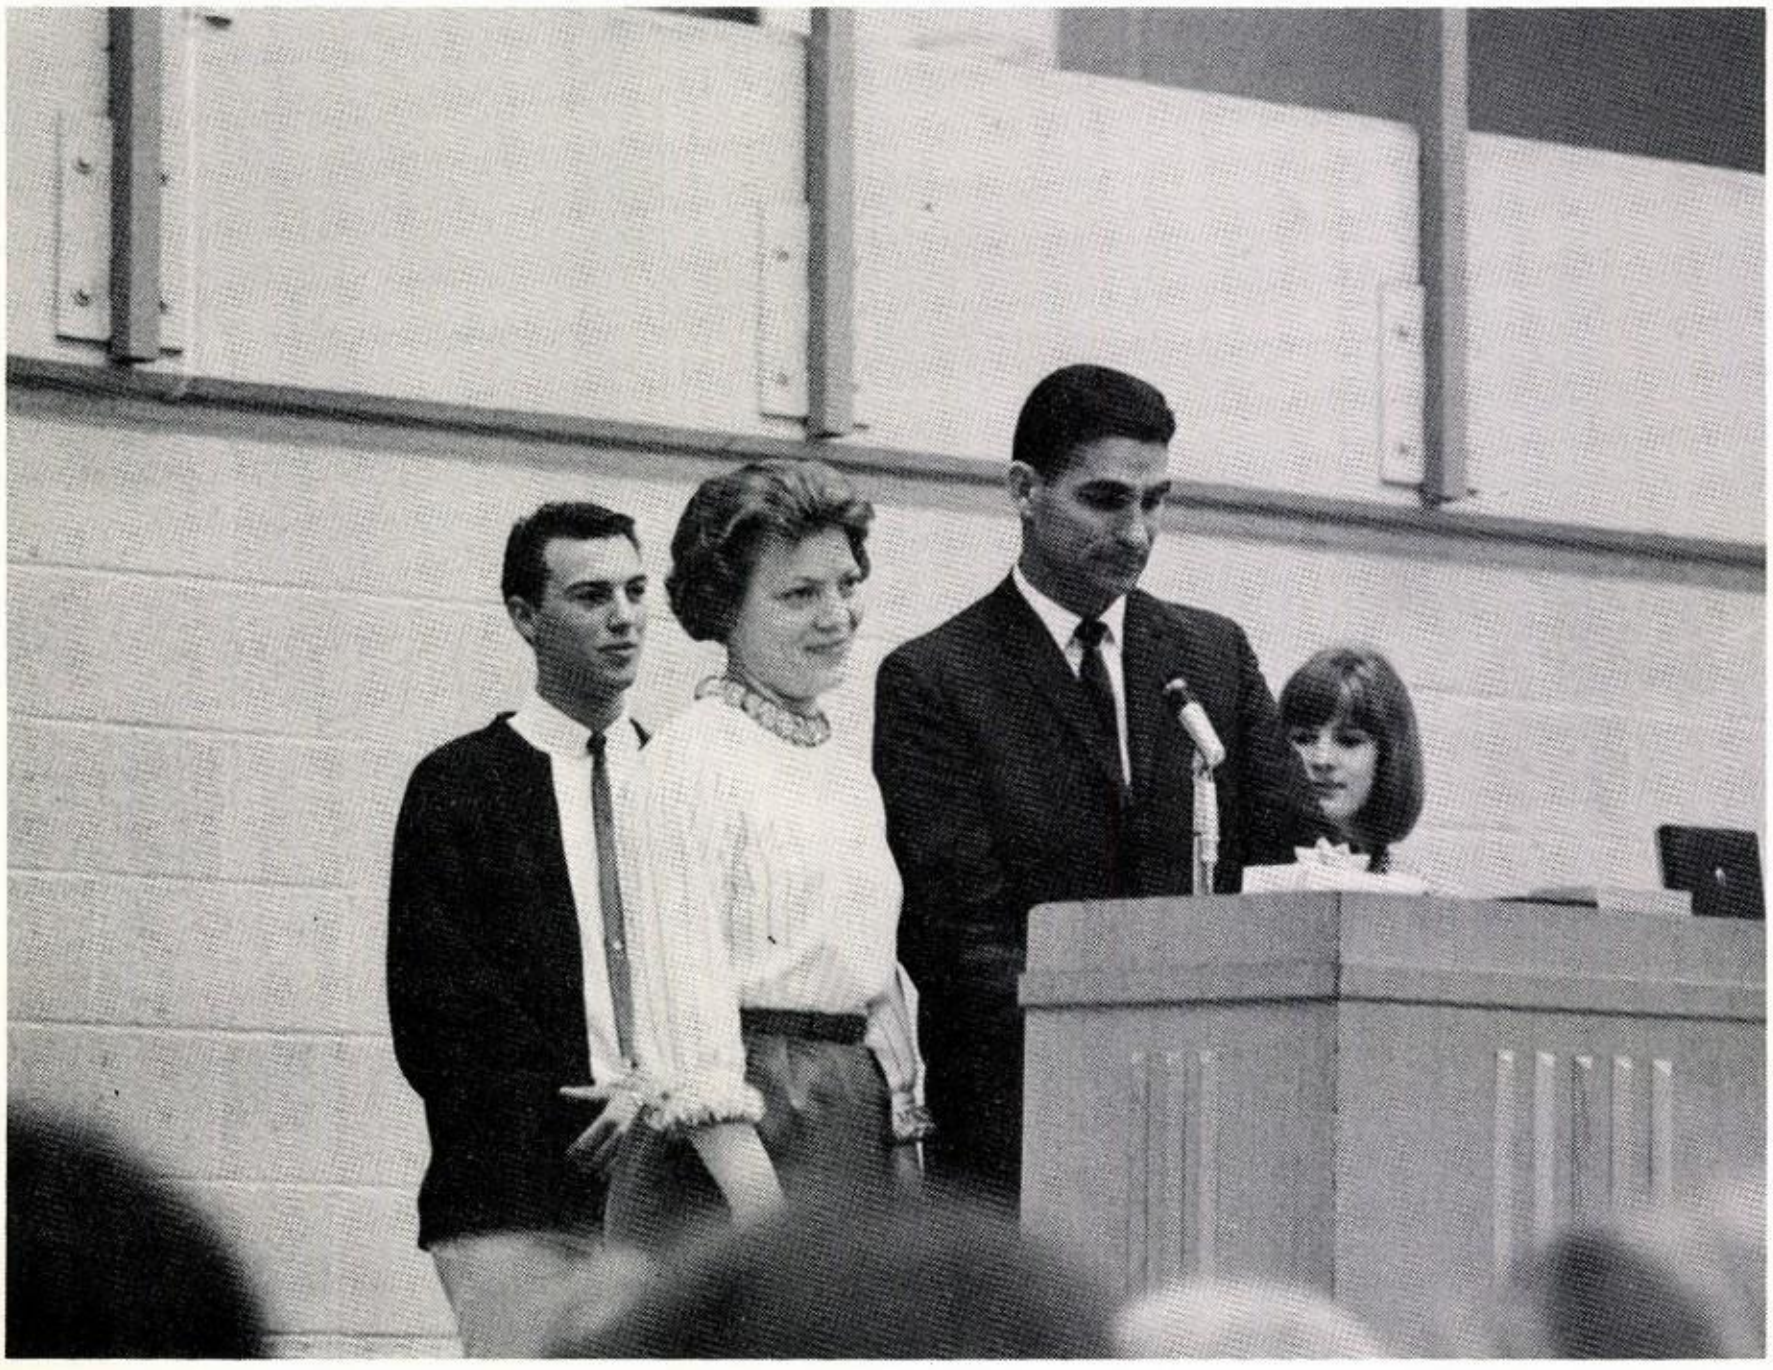
Would you believe rehearsal at 7:45 every morning!!!

Our handsome leader??!



A final farewell...



A POIGNANT MOMENT FOR THE ANDERSONS, THE FACULTY AND THE STUDENTS. AS THANKS, TRIBUTE AND TEARS ENDED 19 YEARS AS S.U.H.S. PRINCIPAL. THE PLAUDITS WERE A FINAL HONOR FOR A MAN WHO HAS DONE SO MUCH FOR THE ENTIRE COMMUNITY.

Leetta:
It sure has been a blast this last summer, (the worry field and all) and I hope we have as much fun as seniors in the great S.H.S. Just think in about 8 month we won't have to worry about school anymore. I wish you all the happiness and luck in the world. Hoping that you know what I mean by luck!
Be sweet
God Bless you

Leetta:

Thought I would write some more hope you don't mind.

Well, this year has started out great Ha hasn't it? So many things have changed since our Sophmore year when I first got to know you. Of course I never thought we would become such good friends but I'm glad we did. I know you for what you are and not for what other people tried to make me think. I know this year isn't going to be much fun for either of us but maybe we can help each other thru it. Leetta I want so much for life to turn out in your favor. You deserve to have the things you want, few people do. I hope I can be as dear a friend to you as you are to me. Maybe your friendship is one I can keep.

I hope all our plans for the future can work out. I really do.

Lots of Love

Mary
